Music and Audiovisual Production for Events

VISION

We believe that Music awakens the best qualities in people and is through Her that we, as humans, achieve our maximum entertainment potential.

We didn't choose Her, she chose us.

It's our purpose. The source, the journey, the destiny.

We use Her as our main raw element on which we apply a successful formula that combines talent, creativity, technical performance and a secret ingredient: our personal touch.

We guarantee expectations but our challenge is to exceed them.

Whether through extraordinary DJs, passionate Live Acts or sound, light, and image technical solutions that enhance Her, we carry out projects with your identity for a fully customized experience.

Because producing memorable events also depends on you.

THE CHOICE IS YOURS.

DJ PERFORMANCE

EXPERIENCE

Musical participation starring a DJ with proven experience in several event contexts (corporate, social, sports, academic) and with a Master rating at the Your Jukebox DJ Academy.

TALENT

Performance guided by the DJ's sensitivity in assessing the public's receptivity, choosing the right track for each moment, and ensuring a consistent, versatile and of outstanding quality performance.

TECHNIQUE

Real-time selection and flexibilization to guarantee a musically interactive dancefloor, without imposing indifferent themes to the public or fixed playlists that may affect the party's success.

CUSTOMIZATION

Fully customized service that starts with the selection of the creative professionals for the event-based on a matching-process with the event profile, always respecting the hosts' guidelines.

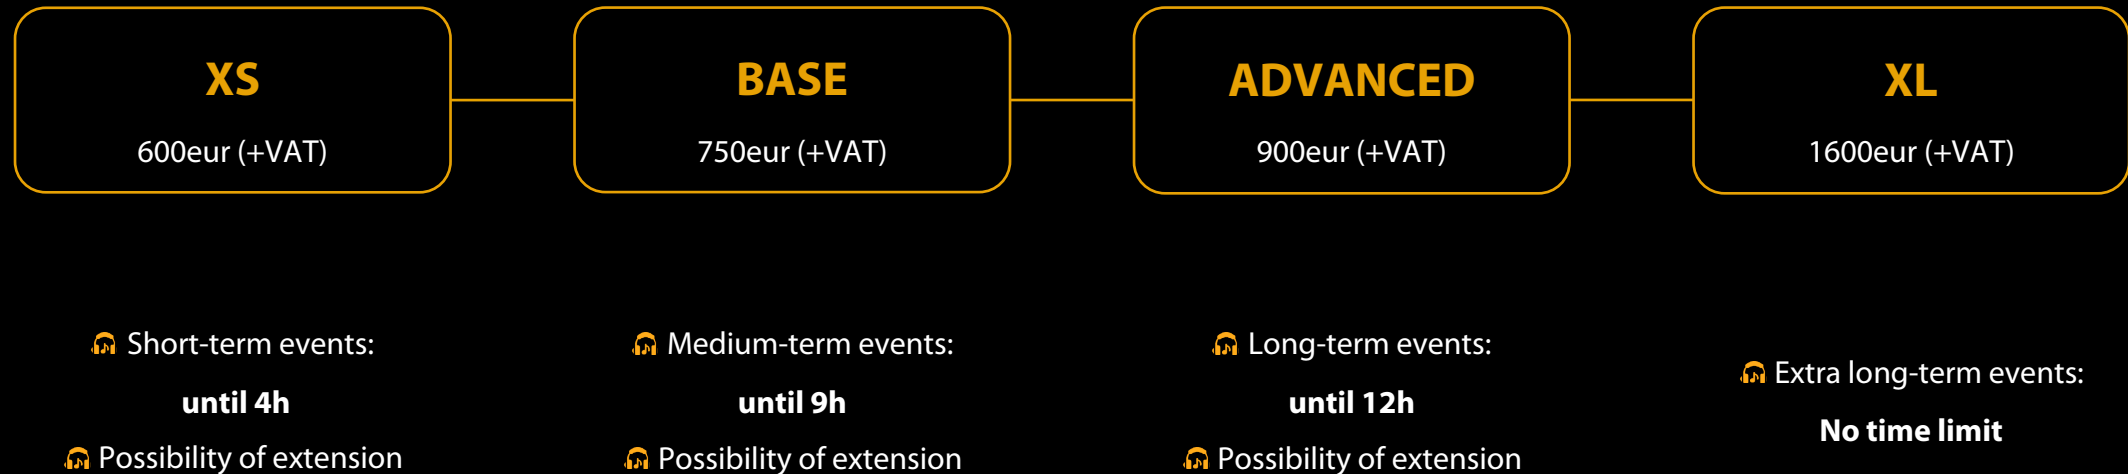

VANGUARD

High-end equipment and inexhaustible record collection in constant update, since timeless records to the latest releases and in full compliance with all legal requirements.

DJ PERFORMANCE *(includes a sound system and DJ equipment for the dancefloor area)*

The DJ's participation can cover several phases of the event, being responsible for a thorough management that allows a continuous musical monitoring and a harmonious fitting of the music within the party's general atmosphere.

- Different categories adapted to the **global participation** of Your Jukebox team in the event *(total participation time from the moment Your Jukebox starts its services until the moment they end)*:

LIVE MUSIC

ACOUSTIC SESSIONS

🎵 **ACOUSTIC SESSION SOLO** * ... 500eur (+VAT)

Contemporary hits (covers of Pop, Rock, Soul, Blues and RnB) performed live in an acoustic register. Despite being a solo performance, it can incorporate, in addition to the base formation of voice (male) and strings (semi-acoustic guitar), a harmonica and foot percussion. Ideal option for cocktail hour (with the possibility of extending to other phases of the event).

Sound system included. Until 2h of participation.

* In addition to this service, a totally original and customized song can be composed, inspired by the history of the hosts, purpose of the event or even as a dedication to a guest.

Availability and quotations upon request.

🎵 **ACOUSTIC SESSION COLLECTIVE** ... Duo 950eur (+VAT) | Trio 1350eur (+VAT)

Acoustic Session complemented by a female voice and with the option of adding a percussionist (perfect for a cocktail) or violinist (ceremony). Possibility of extension to other phases of the event.

Sound system included. Until 2h of participation.

THE JAZZ TUNES

🎵 **SOLO MUSICIAN (SAXOPHONE, VIOLIN, GUITAR OR PERCUSSION)** ... 500eur (+VAT)

A hybrid live act that combines a live performance supported by the reproduction of a carefully pre-selected playlist, enriching the sound of the chosen instrument. The outcome is a perfect fusion of post-modern rhythms - Lounge, Smooth Jazz, Chill - with the real-time melodies produced by the musician. An ideal option for the welcome drink or cocktail (with the possibility of extension to other phases of the event, namely in the dancefloor dynamics accompanying the DJ).

Sound system included. Until 2h of participation.

🎵 **JAZZ TUNES COLLECTIVE** ... Duo 950eur (+VAT) | Trio 1350eur (+VAT) | Quartet 1700eur (+VAT) | Quintet 2000eur (+VAT)

Music collective performance which relies on the interpretation of classic and timeless themes of the Jazz and Bossa Nova universe. Starting with a base formation of saxophone and double bass, this performance can be enriched by a female vocalist and/or complemented by a wide range of instruments: guitar, keyboard, percussion, trumpet, ukulele, etc. An ideal option for the welcome drink, cocktail or meal.

Sound system included. Until 2h of participation.

LITTLE MESS & THE JUKEYS

🎵 **LITTLE MESS** ... Duo 950eur (+VAT) | Trio 1350eur (+VAT)

A female voice a guitar and a loop station, that together give meaning to a blend which draws inspiration from both the jazz and rock universe, passing through soul, R&B and funk, always with an irreverent touch of improvisation. Ideal option for a cocktail and with the possibility of adding a percussionist.

Sound system included. Until 2h of participation.

🎵 **THE JUKEYS** ... Duo 950eur (+VAT) | Trio 1350eur (+VAT)

Interpretation of timeless Jazz , Bossa Nova and Easy Listening classics themes by a duo of voice and keyboard or a trio with a percussionist. An ideal option for a cocktail.

Sound system included. Until 2h of participation.

CREATIVE CONCEPTS

VINYL LOUNGE SESSION ... from 600eur (+VAT)

DJ performance based on an exquisite musical selection that aims to provide a laid-back and natural musical flow, without interfering in the general interaction among guests. The performance is made through sequenced and mixed music selection on vinyl records in analogue and/or hybrid record players.

DJ booth and sound system included. Until 3h of participation.

VINYL LOUNGE SESSION WITH INSTRUMENTALIST LIVE ACT ... from 850eur (+VAT)

Lounge Session complemented by a musician (saxophonist, percussionist or violinist).

DJ booth and sound system included. Until 3h of participation.

THE PORTUGUESER ... 850eur (+VAT)

A fusion musical concept that blends the DJ participation with a Portuguese guitar player. This unmistakable and invariably inseparable tone of Fado from a traditional origin, takes on a life of its own as a performative instrument, experimenting completely new and daring soundscapes with unprecedented authenticity.

DJ booth and sound system included. Until 3h of participation.

SAX, DRUMS & ROCK N' ROLL

 **SAX, DRUMS & ROCK N' ROLL** - DJ Performance with Saxophonist and Percussionist Live Act ... 2000eur (+VAT)

The saxophone and percussion accompany the DJ's musical selection in real-time, enriching each other's performance and creating the ideal synergy for those who prefer the impact of live music but without neglecting the total flexibility that only a DJ can bring to the party.

The advantage of this service, as in any other option performed by a DJ, relies upon the fact that there are no limits when it comes to music diversification – with a practically unlimited repertoire, it's up to the DJ to be sensitive to the timings and receptivity of the audience, reproducing in each moment the themes that best adapt to the evolution of the party. The integration with the saxophone and percussion allows exploring countless possibilities in the live music field, endowing the joint performance with an incomparable dynamism.

This service also includes the performance of the two musicians, the saxophonist and percussionist, during the cocktail period (also with the corresponding sound system).

GROOVE EXPERIENCE

🎵 **GROOVE EXPERIENCE** ... 1700eur (+VAT)

Being the ideal option for those looking for a live performance capable of dynamizing the party atmosphere, this band of vocalist and three instrumentalists (guitar, bass and drums) collects in its versatile repertoire a vast amount of musical genres, from the classics of Motown to the biggest hits from the current Pop/Rock universe.

Until 1h30 of participation.

🎵 **GROOVE EXPERIENCE XL** – Band, DJ Performance with Live Act, Lighting System and Stage ... 3500eur (+VAT)

The complete solution for the dancefloor dynamics composed by an initial performance of the Groove Experience band (until 1h30 of participation) followed by a Your Jukebox DJ accompanied by one of the band's musicians. It also includes the corresponding sound equipment, an ADVANCED Lighting System and a 4m x 4m stage to support both performances.

GET FUNKED

🎵 **GET FUNKED** ... 2500eur (+VAT)

Performance by a band of seven musicians (voice, bass, drums, saxophone, trumpet, keyboard and guitar) that orchestrates an energetic and contagious journey along with the Soul, Funk and Disco hits. The perfect solution for the dancefloor dynamics.

Until 1h30 of participation.

🎵 **GET FUNKED BIG BAND** ... 3750eur (+VAT)

Complete formation directed by a Maestro and composed by a vocalist, bass, drums, keyboard, three saxophones, two trumpets and a trombone. Ideal option to accompany a gala or corporate event.

Until 1h30 of participation.

The VJ's creative participation translates into real-time production and selection of the most diverse contents (abstract effects, patterns, logos, videos, photos, music videos) sequenced in sync with the different phases and environments of the party.

The use of an exposed platform such as a LED-Videowall allows constant visual communication, creating greater interaction with the public, making it possible to stream customized content from the guests present at the event, such as instant messages or pictures.

VIDEO-LED FLOOR

▶ **VISUAL JOCKEY WITH VIDEO-LED FLOOR (Pixel Pitch 20)**

Multifunctional platform (can be used as a dancefloor, stage, exhibitor, etc.) in tempered glass with LED technology, adjustable with customized sequences and integrated into the surrounding atmosphere.

- 4m x 4m – 1250eur (+VAT)
- 5m x 5m– 1500eur (+VAT)
- 6m x 6m – 1750eur (+VAT)
- 7m x 7m – 2000eur (+VAT)

Since it's a modular equipment, it is possible to adjust it to different areas and purposes, either as a lighting complement, to spaces without a regular, smooth and comfortable floor or just for those looking to give a greater visual impact and interactivity to a certain space.

The patterns and visual effects that the VJ idealizes and reproduces bring a differentiating and extraordinary factor to any event.

METHOD

As a professional collective featuring members from different branches of the performing arts (producers, DJs, musicians, VJs and Sound/Light/Image Technicians), we propose the accomplishment of creative concepts that are based on the balance between art and entertainment, supported by a strong audiovisual component and, above all, set by the professionalism and talent of the human capital that ensures with an enormous consistency all the projects we sign.

Our technical solutions are adjusted according the characteristics of each space and all creative options are oriented towards valuing the event's identity, based on a careful analysis of the information provided to us in the preparatory stages of the event, with strict respect for the client's vision, in order not only to guarantee - but to exceed - expectations.

Based on a fully customized service from the first contact, we privilege a dedicated monitoring within all phases of the organization process, which is also why we encourage a previous face-to-face meeting with the operational team so that they're not totally strangers to the hosts on the day of the event.

With us, you can enjoy your own party.
